**SUBJECT: "PETITION FOR STAY IN MM DOCKET 92-266"**

Dear Ms. Searcy:

Please delay the effective date of the Commission's rate regulations.  
My reasons for this are:

I am small system operator with 6500 subscribers serving several franchise areas.

I have major questions concerning the benchmark calculations. In fact, I did not receive the worksheets with all the corrections until yesterday, and I have not been able to complete the benchmark calculations.

I need to know the requirements for cost-of-service showing before I can decide what to do.

*Sincerely,*

*Eugene R. Edwards*
